

ARTISAN HOME

Nº 15

The east-coast shingle-style architecture of this Hendel Home brings a little bit of the Hamptons to Lake Minnetonka. With four private acres on the Lake, this elegant home starts with truly authentic detailing outside. One step inside reveals every inch has been carefully designed and crafted.

### *Soak or Shower?*

Who cares when it's tiled in taupe, cream and a shimmer of gold.

### *Take a Seat*

Levitating a shower to a mystical experience: say hello to the floating recliner bench.
